Can you believe it?! Rock Lee has become a main character! *Rock Lee & His Ninja Pals!!!* (by Kenji Taira) is being simultaneously released with this volume*!! *Rock Lee* is fundamentally a youthful gag manga that revolves around Lee, but we're also aiming for a comedic touch and to dig further where all of you *Naruto* fans wished we'd gone before... A-ha ha!! In any case, congrats, Lee!!

—Masashi Kishimoto, 2012

You can watch the anime, *Naruto* Spin-Off: *Rock Lee & His Ninja Pals* now at vizanime.com!

Author/artist Masashi Kishimoto was born in 1974 in rural Okayama Prefecture, Japan. After spending time in art college, he won the Hop Step Award for new manga artists with his manga **Karakuri** (Mechanism). Kishimoto decided to base his next story on traditional Japanese culture. His first version of **Naruto**, drawn in 1997, was a one-shot story about fox spirits; his final version, which debuted in **Weekly Shonen Jump** in 1999, quickly became the most popular ninja manga in Japan.

THE STORY SO FAR...

Naruto, the biggest troublemaker at the Ninja Academy in the Village of Konohagakure, finally becomes a ninja along with his classmates Sasuke and Sakura. They grow and mature through countless trials and battles. However, Sasuke, unable to give up his quest for vengeance, leaves Konohagakure to seek Orochimaru and his power.

Two years pass. Naruto grows up and engages in fierce battles against the Tailed Beast-targeting Akatsuki. Elsewhere, after winning the heroic battle against Itachi and learning his older brother's true intentions, Sasuke allies with the Akatsuki and sets out to destroy Konoha.

Upon Madara of the Akatsuki's declaration of war against the Ninja Alliances, the Five Kage put together an Allied Shinobi Force. The Fourth Great Ninja War against the Akatsuki begins. Upon breaking out of the training grounds and rushing forth to each battleground, Naruto helps his comrades successfully seal away the previous Raikage, who had been called up through Edotensei, a method of using dead ninja, reanimated as soldiers. Now Gaara, leader of the Sand Village, and Ohnoki, leader of the Stone Village, battle the previous Mizukage, former leaders of the Mist Village!

...BUT THAT'S A BOTHER... IT'S HARD ENOUGH TO GET OUR ATTACKS TO HIT, PERIOD...

I SEE... SO IF WE CAN EXTRACT OR DESTROY THOSE, THIS GEDO JUTSU WOULD COME UNDONE...

WHERE?!
